For over 50 years, our family, the Gelles, has been developing and producing robust, durable and field-tested plastic and rubber products at our German facility. Using state-of-the-art machinery, we manufacture high-quality products for the agricultural sector, professional equestrian sports and customised promotional items for customers both in Germany and abroad.

Our guiding principle:

We stand for reliable products and collaborative partnerships.

For us, quality is not an empty promise, but the result of experience, meticulous care and responsible action – 'Made in Germany'.

Sustainability shapes our entire value chain: We develop durable products, rely on resource-efficient production using 100% renewable energy, and take responsibility for our employees and our local community.

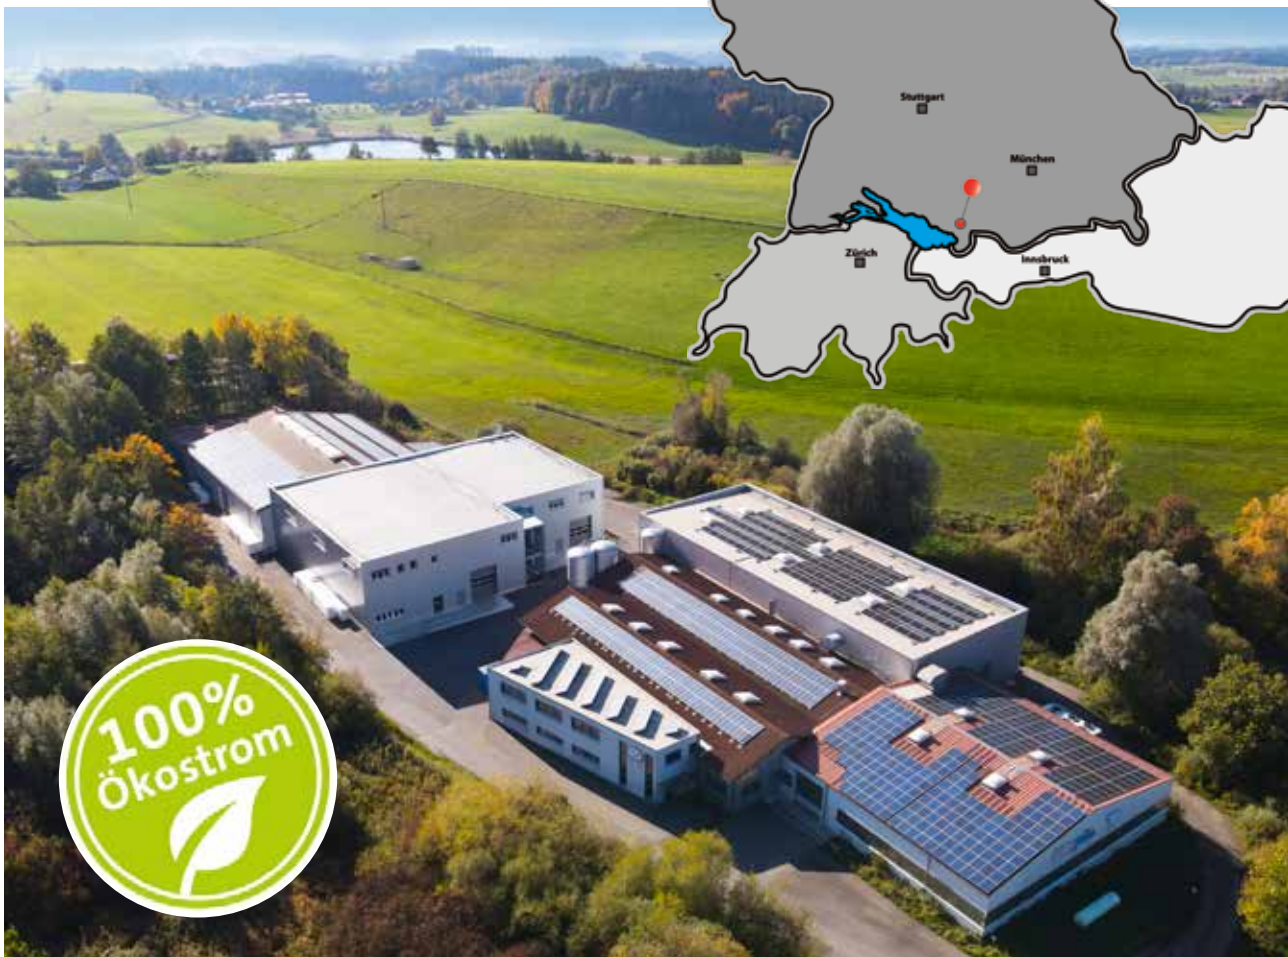

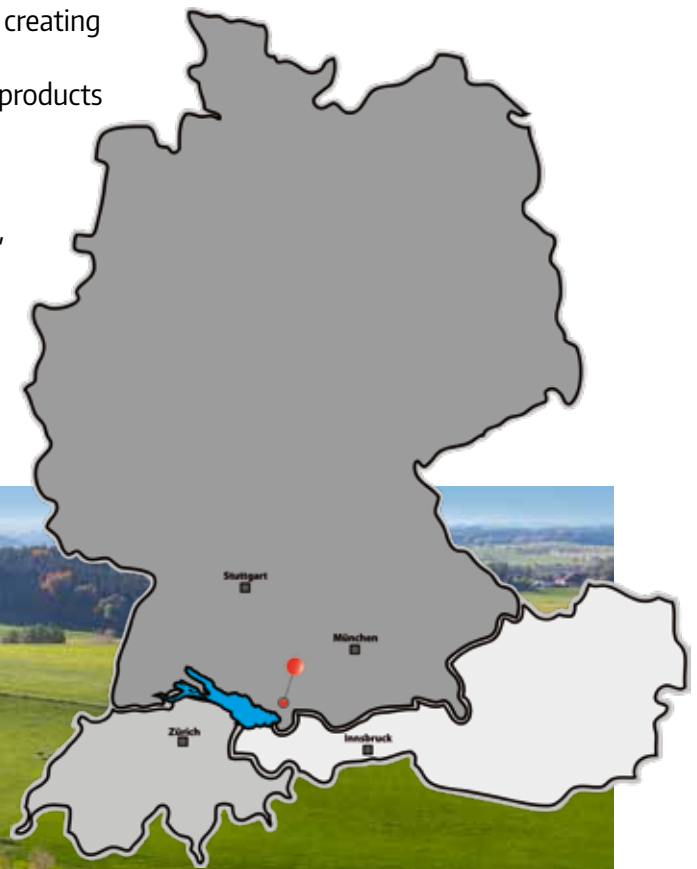

Customer proximity means listening, understanding, and creating customised solutions.

Our passion for innovation drives us to optimise existing products and develop new ones that offer our customers genuine added value.

Together, we are shaping a future based on responsibility, quality and trust.

We look forward to a successful collaboration.

Your GEWA® - Team

Promotional items are the only advertising a customer will thank you for. With our practical and long-lasting promotional items you can leave a lasting impression.
